

MAP48.6 – The Rules

All team members must be 18+.

Period; Friday November 26th - 6:00pm UNTIL Sunday 28th November – 7:00pm followed by Awards Ceremony and party.

All teams will be split into groups randomly.

Choosing the actors;

Each director will pick a number from a 'hat'. This will denote the number of actors he/she will have on the project. Numbers can range from 1-5. Once they have picked this number, they will then proceed to choose the previously denoted amount of names from a second 'hat'. Each of these names, the actors, will then work with that director. No actor can be paid.

Choosing the writer;

Directors will draw a name from a 'hat' to decide on their writer. No writer can be paid.

Choosing the prop;

Each writer will randomly select a prop from a 'hat'. This prop should feature in the film (opening credits and end credits do not count!). There will be an award for Best Use Of Prop and judges will take this use into consideration for the overall winner.

Choosing the line;

Each team will randomly select a 'line' from a 'hat'. This line must appear in the completed film (opening credits and end credits do not count!). There is no award for best use of line but judges will take this use into consideration for the overall winner.

Choosing the Crew;

Your crew can be anyone you choose to use. No crew can be paid anything other than expenses. You do not need a crew – you can use yourselves and an Iphone.
